4 Bedroom, 3.00 Bathroom, 2,630 sqft

Residential on 0 Acres

Niceville/Val-P, Niceville, FL

The master bathroom is a dream with a custom shower, a rain- head, separate custom bench with sprayer and a 3rd sprayer located on the other side and a custom glass seamless door. If you've had a hard day and need a hot bath, you'll love the soaking tub with endless hot water. (TANKLESS) water heater. Don't forget the custom mirrors with led lighting and if you're that person that needs a very large master closet, this is it! A foot shelf was added in the walk in master closet. The laundry room has been customized with a large closet, shiplap with designer hooks on walls, custom cabinets with soft close drawers and quartz countertops, finished up with a folding table and storage shelving. If you have allergies or pets, this home is perfect! It's upgraded vinyl plank throughout makes it easy for cleaning and great for allergen prevention. The upgraded crown molding in all of the main areas of the home, and recess lighting add to the custom rich look it provides. The family room and kitchen are fully open to each other and lead out to the covered deck for grilling. This area is perfect for watching ball games and cookouts. Yard maintenance is made easy with a professional landscaped yard, irrigation system and privacy fence, which is excellent for family pets. Gutters have been added to the front and back porch as well. A privacy fence and sprinkler system will be added. The home backs up to a wooded area, providing privacy. Call for a viewing. This home will not last long!!
